Re : CC Docket No. 02-33 - Notice of Discontinuance of Common Carrier Broadband Internet Access Transmission Service

Dear Ms. Dortch:

By this letter and in accordance with paragraph 101 of the Federal Communications Commission's *Report and Order and Notice of Proposed Rulemaking* in CC Docket Nos. 02-33 and 01-337 released September 23, 2005, FCC 05-150 ("*Broadband Internet Order*"), the Frontier Communications ("Frontier") ILECs identified below hereby notify the Commission, that Frontier intends to discontinue offering common carrier broadband Internet access transmission service and is seeking to be removed from the list of carriers providing Digital Subscriber Line (DSL) service under NECA Tariff F.C.C. No. 5, effective February 1, 2006:

<u>Company</u>	<u>State</u>	<u>Study Area</u>
Frontier Communications of DePue, Inc.	IL	340998
Frontier Communications of Georgia LLC	GA	220387
Frontier Communications of Indiana, Inc.	IN	320750
Frontier Communications of Lamar County, LLC	AL	250301
Frontier Communications of Mississippi, Inc.	MS	280460
Frontier Communications of Viroqua LLC	WI	330967

In these companies, Frontier provides wireline broadband Internet access service, as described in the *Broadband Internet Order*. Frontier has no existing customers taking only the transmission component of DSL ("wireline broadband Internet access transmission services"). Because Frontier has no existing customers of common carrier wireline broadband Internet access transmission service, as described in the *Broadband Internet Order*, there are no affected customers to notify of the withdrawal of this service as required by ¶101 of the *Broadband Internet Order*. With this letter Frontier is providing notice of its intention to discontinue offering and to withdraw its wireline broadband Internet access transmission service from the NECA tariff to the affected state public utility commissions, the appropriate governors, and the Special Assistant for Telecommunications at the Department of Defense, as required by ¶101 and footnote 307 of the *Broadband Internet Order*. Frontier is also copying NECA on this notice.
